June/July 2020

Dear Parent,

Welcome to St Patrick's Nursery. It is very unfortunate and sad that the children starting Nursery in September have not been able to visit the site in the form of an open day. This has been taken out of our hands due to the Covid pandemic.

As you will understand it is very difficult to make decisions at present regarding what the nursery day will be like. All guidance was looked at and following discussions it has been decided that at present we will be working on the premise that all pre-school children, ie: those who will be transitioning to P1 in September 2021 will start nursery in September. Start dates and new regulations will be sent out at the beginning of August.

Pre Pre school children, ie: those who will be with us for the next 2 academic years, have a proposed start date for the end of October and would attend nursery into July.

I will in the next couple of weeks set up a texting system for the nursery should you have any queries.

All information regarding Covid restrictions, including extra hygiene procedures, will be sent out with start dates.

An induction booklet has been posted on the School website. Some of the procedures listed may change in line with Covid 19 Restrictions. We will follow this up with staff photos so the children can become familiar with our faces!

I hope you have a lovely summer and I look forward to seeing you all in the new school year.

Yours sincerely  
Mrs Elizabeth Shelley  
Nursery Teacher
